

SNEAPPA

Meeting Minutes

Summer Meeting – June 18, 2009

Location: Quinnipiac University

Once again Quinnipiac hosted the summer meeting. Joe Rubertone welcomed everyone to Quinnipiac.

This year they outdid themselves – the Lobster Bake and educational opportunities were outstanding! There were four educational tracks with two sessions each. The tracks included Custodial, MEP, Emergency Preparedness and Grounds.

President Neal Lespasio conducted the business meeting and reminded everyone that SNEAPPA is working on a scholarship program. The application information is on the SNEAPPA web site.

The meeting was followed by the very popular lobster bake.

The next meeting is November 5 at Smith College - detailed information will be available on the web site as the date nears.

Respectfully submitted,

Nancy Tinker, Secretary
